

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following remarks is respectfully requested.

Claims 1-22 are presently active in this application.

The present Amendment corrects a typographical error in Equation 11 at page 16. Accordingly, no new issues are believed to be raised and entry of this Amendment is respectfully requested.

For the reasons noted in the Amendment filed March 22, 2005, the present application is believed to be in condition for allowance, and an early and favorable action to that effect is respectfully requested.

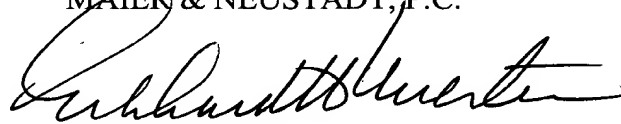

Respectfully submitted,
